It is possible to get your MSA license online, please read the following carefully: You will need a credit card or be able to EFT for the transaction.

Temporary membership application, WPMC indemnity & Medical letter available at www.wpmc.co.za/streetracing. Download these for use.

The WPMC temporary membership application and indemnity need to be completed and faxed to WPMC (Paul) 0866343197 first.

On MSA web site, www.motorsport.co.za license application section use "T101" for all applications where asked for membership number - this will represent Temporary membership to the Western Province Motor Club.

The MSA medical letter for no medical cover is also attached and this is also only applicable to 13 sec and slower runners. This needs to be attached when asked to submit your medical letter on the online application. As you are not taking out the MSA medical cover this letter needs to be approved so please check this site again within 48 hours to complete your online application.

This is only for 13 sec competitors and slower, no WPMC full membership required.

The faster competitors (sub 13 sec runs) need full WPMC membership as stated in the MSA letter, this is a WPMC requirement.

Yours in racing
