I hereby understand that I am part of the WPMC Temporary membership list (free of charge) in order to be able to get a MSA Stretracing licence for 2010. In no way does this entitle me to any benefits of a full WPMC paying member. The WPMC reserves the right to revoke this membership at any time for what ever reason they may see fit. I also understand that the information can be used as needed by the WPMC.

Competitors that go faster than 13 second  $\frac{1}{4}$  mile run times need to become full members of the WPMC and have medical cover. Temporary membership is not valid for quicker than 13 second competitors, they are then Club competitors.
